ORDER:

In the reference read above, the Engineer-in-Chief (R&B), State Roads, Hyderabad has stated that the Nellore – Mulumudi – Tatiparthi road is an important Major District road passing through Nellore rural and Podalakur Mandals connecting good number of agriculturally potential villages. The entire road is BT surface. Narasimhaswamy temple is located at KM 10/6 and Jonnnawada temple is located at Km 9/0 of the road which are very important pilgrim centers in the Nellore District. Also sand quarries are existing along in to the road. Heavy loads are plying on the road due to Sugar factory situated on PV road. In view of the above reasons the traffic intensity is very high on the road. The Stretch from Km 20/6 to 27/6 is BT single lane with 3.66 M width and cannot cater to the needs of the growing vehicular traffic. Hence, it is proposed to widen the road to 7.00m width. Further the road was badly damaged and sunken at some locations where necessary crust is being provided with GSB and WMM. He has, therefore, requested to accord Administrative Sanction for Rs.8.00 Crores for the work "Widening and Strengthening of Nellore – Mulumudi – Tatiparthi road from Km 20/6 to 27/6 in SPSR Nellore District" under Plan MDR.

2.
